A sunset over a body of water. The sun is low on the horizon, creating a bright orange and yellow glow. The sky is filled with dark, silhouetted clouds. In the foreground, the water is calm, reflecting the light from the sun. A small boat is visible on the left, and a larger boat is in the center. The background shows a dark silhouette of trees and land.

## **TINASHE ZISWA**

---

FOUNDER, Photographer & Cinematographer

Tinashe Ziswa is an award-winning director and cinematographer celebrated for his impactful storytelling and dedication to the craft. His filmmaking journey began with *Dream*, a short film he wrote and directed, marking his debut in the industry. Since then, Tinashe has produced a diverse range of content, collaborating with festivals, corporate organizations, ZBC, DSTV, and NGOs.

He holds a Certificate in Screenwriting from the prestigious Relativity Workshops in Los Angeles, California. In 2021, his documentary *The Drug Story* earned the European Film Festival's Best Documentary of the Year award, highlighting his talent for compelling narratives. In 2024, Tall Grass Media, the production company he spearheads, received Amnesty International's award for Best Broadcast News (TV).

Driven by a passion for African storytelling, particularly Zimbabwean narratives, Tinashe founded Tall Grass Media to amplify the African perspective. Through the company, he collaborates with other filmmakers, fostering a community of knowledge-sharing and resource exchange to elevate the art of storytelling across the continent.

At Tall Grass Media, film and photography are more than just our profession—they are our passion. This passion shines through in every project we undertake. We steer clear of the “typical,” constantly exploring fresh ideas, innovative techniques, creative props, and engaging people to bring our work to life.

Our commitment to excellence has been recognized on international stages. The Drug Story earned the European Film Festival’s Best Documentary of the Year award, showcasing our strength in powerful storytelling. In 2024, Tall Grass Media received Amnesty International’s Best Broadcast News (TV) award, further solidifying our reputation for impactful and meaningful content.

One of the greatest perks of our work is the privilege of capturing memories and experiences across diverse cultures, traditions, and extraordinary people. We operate both locally in Zimbabwe and internationally, with projects spanning Kenya, South Africa, Singapore, the USA, and Dubai.

At Tall Grass Media, our team of skilled and creative filmmakers and photographers brings a distinctive approach to every project. We treat each client like family, fostering natural interactions that lead to authentic and meaningful moments captured on film. This approach allows us to deliver not only high-quality images but also heartfelt experiences that resonate deeply with our clients.
